# The Dream

Dear Alaska Explorer,

As members of the Alaskan Native Tlingit Kaagwaantaan Clan, as well as respected Sitka-based tour, cruise boat operators and boat builders we are confident that Alaskan Dream Cruises will fulfill your dreams of an Alaskan experience.

**“Made in Alaska.”** You will see this label proudly stamped on any product that is grown or crafted by hand here in the Last Frontier. This statement is the core of what Alaskan Dream Cruises is all about. As an Alaska native, family-owned and operated company, our sole mission is to provide our guests with a 100% “True Alaska with True Alaskans” experience.

We welcome you aboard our ships, the Alaskan Dream, Admiralty Dream and Baranof Dream, all designed for intimately exploring the magical coastline of Southeast Alaska.

Together we will explore the Alaska less traveled. We'll spend more time in rare, authentic places with extraordinary scenic qualities, historical significance and abundant wildlife. Be assured that your handcrafted itinerary will include everything that you come to Alaska to see such as marquee attractions like Tracy Arm Fjord, Skagway, Wrangell and Misty Fjords National Monument, plus rare, out-of-the-way places like the Haida village of Kasaan and our exclusive private callings at Hobart Bay and Orca Point Lodge.

Our roots lie deep in Alaska. Three generations of our family have dedicated themselves to creating a company that is environmentally responsible, community-centered, and totally committed to delivering a rewarding vacation experience. We ensure that we give back to the community and practice sustainable tourism. We use organic materials and foods wherever possible, including locally-harvested crab, halibut, shrimp and wild Alaskan salmon, accompanied by a wide array of Pacific Northwest wines and Alaskan microbrews.

Come share our land, our birthright and our dream— see you in Southeast Alaska

– *David Allen, President*

Guests requiring a wheelchair should bring their own. Some shore excursions preclude the use of a wheelchair. Physical conditions aboard the vessel such as stairs, raised thresholds, no elevator, and narrow doorways or passageways may limit wheelchair use, create challenges for mobility challenged guests, or restrict access to some areas aboard the vessel.

Special diet requests must be received in writing at least 60 days prior to departure. Not all special diet requests may be able to be accommodated.

Medical facilities for much of our itinerary are difficult to access. All crew members aboard Alaskan Dream Cruises vessels are CPR certified, but additionally trained medical personnel are not available while aboard.

Alaskan Dream Cruises will make every effort to accommodate guests with medical or physical limitations, but reserves the right to deny boarding to a guest whose condition may affect their safety or enjoyment of the cruise or that of other passengers.

### EMBARKING AND DISEMBARKING:

Embarking and disembarking is accommodated through the use of gangways, or in some instances, excursion craft. Ports facilities and tide conditions greatly influence and vary the steepness or placement of gangways or dock ramps.

### SHORE EXCURSIONS:

Shore excursions, either included or discretionary may involve touring in a variety of physical environments. The Captain may at his/her discretion limit passenger participation in activities that compromise safety.

### PASSPORT AND VISA REQUIREMENTS:

A passport or visa is not required of citizens of the United States of America. A government approved ID is required to board the vessel. Foreign passengers are required to have appropriate passport and visas as required by the Homeland Security Administration regulations.
